Professional Summary

A dynamic and multitalented person with exceptional academic knowledge. I have Completed Master of Engineering (VLSI design) and I am seeking position where I can apply my knowledge and skills.

Education

2018-2020 ME(VLSI)
Dr.Sivanthi Aditanar College, Tiruchendur with 90%

2014-2018 BE(ECE)
Dr.Sivanthi Aditanar College, Tiruchendur with 86%

2012-2014 HSC
Sri Ganesar Higher Secondary School,PNK with 84%

2010-2012 SSLC
Loaba Matriculation High School, Eralwith 92%

Skills

- Microsoft Office
- MATLAB
- XILINX ISE
- XILINX VIVADO
- TANNER EDA
- Mentor Graphics

Hobbies

Cycling Music Gardening Travelling

Personal Information

Date of Birth	21/07/1996
Gender	Female
Nationality	Indian
Religion	Hindu
Language known	Tamil, English
Permanent Address	4/110, Main road, Kurumbur. Thoothukudi district -628207. TamilNadu

Work Experience

Apr-Oct 2020 FPGA DESIGN INTERN
SION semiconductors,Bangalore

Projects

2016 IR Based Security Alarm

2018 Safeguarding Lives of Riders from Crashes using Embedded and Image Processing

2020 Design of Memristor CMOS Hybrid Circuit Using Threshold Logic

2020 Real Time Clock

2020 Traffic Light Controller

Publication

- **"Comparative Study of Conductance Differential Solution Using Threshold Logic"** International Journal of Innovative Science and Research Technology (IJISRT), NOV 2019.
- **"Safeguarding the Lives of Riders from Crashes using Embedded and Image Processing"**IJSRD - International Journal for Scientific Research & Development, 2018.

Academic awards

- Won Merit Prize at School Level.
- Won Prize in Mini Project expo and best project award in UG level
- Won 1st prize in the event Wi-Fi Cooking, GOOGLE DOODLE at college Symposium.

Presented paper in International and national conferancce
